State Historical Resources Commission  
Meeting of February 5, 1999  
Chairperson's Report  
By  
Sue Schechter

Chairperson Schechter reported that she, Commissioner Hoover and Commissioner Kaldenberg held an informational meeting in Eureka on January 28, 1999. William Seidel, staff archeologist and Natalie Thompson, recording secretary were staff support. This meeting was devoted to receiving testimony of Native American Tribal representatives concerning the Yurok proposal to become an Information Center of the California Historical Resources Information Center. Sixteen Tribal representatives gave testimony out of 26 Tribal representatives registered. She noted that minutes of that committee meeting had been distributed for review by Commissioners.

On November 18, 1998 Chairperson Schechter along with Vice Chair Samudio and Commissioner Winter gave testimony at a Joint Committee on the Arts chaired by Senator Adam Schiff in Pasadena. This hearing focused on historic preservation and testimony was given by 12 speakers.

A Resolution commending Commissioner Jane Foster Carter's outstanding work as Commission Chairperson was read and resented to Commissioner Carter.
